

Family Health Team

Job Description
Nurse Practitioner 1.0 FTE for 10.5 Month Contract
(mid January to November 2018)

Village Family Health Team

Village Family Health Team (VFHT) opened in September 2011. In addition to serving people in our rapidly growing neighbourhood of Liberty Village, about 16 % of our patients have serious mental illness and or addictions. Liberty Village offers many amenities including housing, fitness facilities, shopping, and restaurants. TTC buses run right through Liberty Village and the FHT is steps away from the Exhibition GO Train stop. Village FHT is pleased to offer HOOPP as our pension plan.

Position Summary

The Nurse Practitioner (NP) plays an integral role in the care of the patients of Village Family Health Team (FHT). The NP will support patient care and the delivery of FHT programs working collaboratively within an inter-professional healthcare team. The NP will practice within his/her full scope of practice as outlined in the Standards of Practice by the College of Nurses of Ontario. The NP role has four major elements:

- Chronic disease management with focus on COPD, diabetes
- Same day urgent
- Responsible for a small roster of patients
- Serves as the Infection Control lead for the FHT

Roles and Responsibilities

- Conduct full patient assessment and prepare a plan for intervention and/or for referral to FHT programs as appropriate
- Identify, analyze and provide appropriate treatment and/or referral for patient's physical and psychosocial health care problems
- Implement various goal-oriented, time-limited intervention plans, including education in collaboration with patient and/or family and team
- Evaluate and document outcomes of individual patient care
- Participate as a clinical team member in the delivery of targeted programs
- Provide timely and informative reports as directed and requested by the Executive Director and/or Physician Lead.
- Participate in team building, program development, and quality improvement activities.
- Participate in weekly staff meetings
- Provide service in after-hours clinic, as required
- Identify gaps and needed modifications in services

Qualifications and Requirements:

- A Bachelor's of Science in Nursing with a Primary Health Care Nurse Practitioner Certificate.
- A Master's Degree is considered an asset
- Current registration with the College of Nurses of Ontario as an RN(EC) required
- Current Membership with NPAO/RNAO and evidence of liability insurance
- Basic CPR certification.
- Work effectively, both independently and as part of an interprofessional team.
- Flexibility and ability to adapt to change
- Ability to utilize an electronic documentation of health records using a Electronic medical Record system
- Ability to work flexible hours (some evening work is required).

Reporting Structure

The NP reports to the Executive Director for day-to-day operations. Professional guidance and support will be provided by the site physicians.

Location

This position will be located at 171 East Liberty St. Unit 102.

Hours of Work

37.5 hours per week and will generally correspond to the FHT practice operations but there will be rotational evening clinics to cover.

Status

1.0 FTE – full time contract
